WHY JOIN THE TICGL EXPERT NETWORK?

Access to High-Value Projects

TICGL consultants gain immediate access to a diverse portfolio of local and international assignments — spanning government advisory mandates, donor-funded programmes and private sector strategy engagements across Tanzania and the broader East African region.

Competitive & Timely Remuneration

We offer competitive, market-aligned remuneration packages with a proven track record of prompt and transparent payment. All engagement terms are documented clearly in written contracts prior to commencement of work.

Professional Growth & Exposure

Network members benefit from professional development opportunities, exposure to cutting-edge economic and investment assignments, peer collaboration with senior experts, and the reputational advantage of TICGL affiliation across the region.

Long-Term Collaboration Potential

TICGL maintains enduring relationships with its expert network. Consultants who demonstrate strong performance are consistently re-engaged across multiple projects and may progress into senior advisory or team leadership roles over time.

AREAS OF CONSULTANCY SERVICES REQUIRED

We welcome Expressions of Interest (EOI) in the following core areas aligned with TICGL's official service portfolio. Applicants may indicate expertise in one or more areas.

<p>Economic Research & Market Intelligence <i>Area 1</i></p> <ul style="list-style-type: none"> • Sector-specific studies and consumer behaviour analysis • Trend forecasting, market surveys and demand mapping • Import/export data analysis and macroeconomic reporting • Industry intelligence across Agribusiness, Energy, Manufacturing, ICT, Healthcare, Real Estate and Tourism 	<p>Investment Advisory & Feasibility Studies <i>Area 2</i></p> <ul style="list-style-type: none"> • Business plan preparation, financial modelling and investment projections • Risk assessment, due diligence and investment screening • Market entry strategy development • Advisory on Public-Private Partnerships (PPPs) and regulatory compliance
<p>Monitoring & Evaluation (M&E) <i>Area 3</i></p> <ul style="list-style-type: none"> • Design and implementation of M&E frameworks and performance indicators • Baseline surveys, endline evaluations and impact assessments • Project performance tracking and reporting • Mid-term and final project reviews with actionable recommendations 	<p>Strategic Business Planning & Project Development <i>Area 4</i></p> <ul style="list-style-type: none"> • Strategic plan development and project conceptualisation • Economic modelling, policy analysis and project management support • Business setup, company registration and investment facilitation • Stakeholder engagement and capacity development support

REQUIRED QUALIFICATIONS & EXPERIENCE

All applicants must meet the following minimum eligibility criteria. Applicants who exceed these thresholds are strongly encouraged to demonstrate this in their cover letter and CV.

Criterion	Detail
Master's or PhD	Economics, Finance, Business Administration, Development Studies, Statistics, or closely related field
7–10+ Years	Minimum 7 years in Tanzania or East Africa; 10+ years is a strong advantage
English & Swahili	Demonstrated ability to produce high-standard reports in English; Swahili outputs an added advantage
Proficiency Required	SPSS, STATA, R, Power BI, and/or Advanced Excel
Government / Donors	Prior work with ministries, development partners, or international organisations is highly desirable

Flexible / Remote	Ability to work remotely, meet tight deadlines and manage project teams effectively
Advantageous	Familiarity with Tanzanian investment laws, taxation frameworks and PPP regulations

Diversity & Inclusion Statement

TICGL is an equal-opportunity employer and actively encourages applications from women, youth, and qualified professionals from all regions of Tanzania and East Africa. Diversity of perspective strengthens the quality of our advisory work.
